Center for Breast & Body Contouring welcomes Andrea Van Pelt, MD, plastic surgeon to their team of physicians. Originally from Texas Dr. Van Pelt earned her undergraduate degree at Texas Tech University and her medical degree at Baylor College of Medicine Houston, TX. Dr. Van Pelt completed her plastic surgery residency at Washington University, St. Louis, MO. During that time she completed an additional one year research fellowship in Craniofacial Imaging Lab, studying 3 dimensional face and head shapes in global collaboration with the University of Copenhagen.

Dr. Van Pelt specializes in facial cosmetic surgery, rhinoplasty(nose), eyelid surgery, general and reconstructive plastic surgery, aesthetic and reconstructive breast surgery, liposuction, abdominal and body contouring, reshaping following massive weight loss, "mommy makeovers", as well as Botox and injectable fillers.

Dr. Van Pelt is a highly skilled plastic surgeon who will be a great asset to our team and to the services we provide to our valued patients. Call us at 616.464.4420 to schedule a consultation.
